

S AATHI M ANDRAM

“Input: Skill. Output: Opportunity.
Engine: SaathiMandram.”

Subhayan Niyogi
Souptik Dam

Our Mission

- **Connecting Workers and Contractors — Seamlessly & Inclusively**
- **Platform for underprivileged workers and contractors supplying labor teams**
- **Designed for maximum accessibility, language support, and smart job matching**
- **Bridges the gap between industries and untapped workforce potential**

The image features a central white rectangular area containing text, surrounded by a vibrant, abstract border. The border is composed of various colored shapes, including hands in shades of blue, yellow, orange, and purple, as well as organic, flowing forms in similar colors. Small colored circles are also scattered throughout the border design.

Seamless Access for All

- **OTP-Based Login System**
- **Log in from any device — cybercafé, friend's phone, or home**
- **No need to remember passwords**
- **Useful for users without consistent access to electronics**
- **Ensures easy, secure access for all**

Breaking Language Barriers

- Google Translate Integration
- Supports 14+ Indian languages
- Users can view and post in their native language
- Smooth cross-lingual communication between workers and contractors
- Promotes inclusivity across regions and communities

Smart Job Matching

- Job Sorting Algorithm
- Matches based on skills, location, availability, and preferences
- Ensures relevance, efficiency, and better outcomes

The background of the slide is a vibrant, abstract pattern of many hands in various colors (red, orange, yellow, green, blue, purple, pink) reaching upwards, creating a sense of collective effort and connection.

Why This Matters

- Empowering a New Workforce
- Breaks technological, linguistic, and educational barriers
- Builds trust between contractors and workers
- Connects underutilized talent to genuine opportunities
- Helps industries find reliable, skilled teams quickly
